**Subject:** Gorge points of contact for outreach

Hey Bill,

We have a Sea Grant employee, Caitie Nigrelli, that sits here in our Chicago office and provides various community involvement and outreach activities to support the GLLA program. Caitie has developed a draft website for the Gorge Dam GLLA project that is ready for review by the larger stakeholder group.

Caitie is already in touch with Elaine Marsh of Summit Metro Parks. Can you provide names and e-mail addresses for anyone else that you think would want the chance to review this website and/or coordinate on future outreach activities?

Thanks!
